

RUSH CREEK KIDS

Rush Creek Kids Mission Statement:

Partnering with parents to lead their kids to find and follow Jesus, by having weekly intentional faith conversations.

May Lesson Overview

This month we will begin Unit 2: Creation is Ruined. Everything was perfect when God created it, but it didn't stay that way. Adam and Eve rebelled against God causing creation to be ruined and for everyone to be born a sinner. But God would not leave people. He would provide the solution for sin: His Son, Jesus Christ. You can review this month's lessons [here](#).

Discussion Question for Unit 2:

What does it mean to sin? To sin is to think, speak, or behave in any way that goes against God and His commands.
